**Re: Letter of Support for Kristina Boardman as Secretary of the Wisconsin Department of Transportation**

Dear Senator Tomczyk,

I am writing on behalf of the Transportation Development Association of Wisconsin to express our strong support for Kristina Boardman's confirmation as Secretary of the Wisconsin Department of Transportation (WisDOT). With over 19 years of distinguished service at WisDOT, proven leadership, and a steadfast commitment to advancing Wisconsin's transportation infrastructure, Ms. Boardman is exceptionally qualified to lead the agency.

Throughout her three decades of state service, Ms. Boardman has built strong relationships with stakeholders across Wisconsin. In our interactions, she consistently engages with partners, listens attentively, and collaborates to resolve issues with the benefit of Wisconsin residents at the forefront. Her strong leadership, knowledge of WisDOT's operations, and dedication to the department's mission uniquely position her to continue its progress in improving safety, connectivity, and infrastructure reliability.

We respectfully urge the Senate to confirm Kristina Boardman as WisDOT Secretary. Her expertise, dedication, and track record make her the ideal person to lead WisDOT in delivering a transportation system that meets the needs of Wisconsin's growing economy.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads 'Debby Jackson'.
