

2026 Sponsorship Opportunities

TDA extends its sincere appreciation to our 2025 sponsors.

Your generous support enabled TDA to deliver valuable and informative programming throughout the year. In 2025, we once again brought member voices to Washington, D.C., during our annual Fly-In and hosted a successful Drive-In event in Madison. This year, in addition to the Fly-in, we are conducting a series of regional legislator and candidate forums to educate policymakers on our priorities and the critical need for sustainable transportation funding.

We hope to continue this important partnership in 2026 and would be grateful for your renewed commitment. Please complete this form and return it to the TDA office by February 27, 2026.
